New Board Member

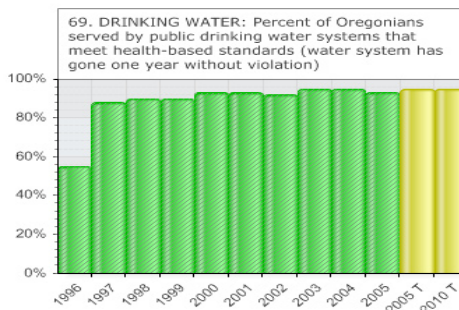

State Senator Frank Morse

The Honorable Frank Morse joined the Oregon Progress Board in February 2008. Senator Morse has been committed to Oregon's future through his leadership in the Oregon Senate and business leadership. His

commitment to measuring for results and a detailed understanding of how targeting of government services and focusing business interests can mutually benefit Oregonians. The Progress Board members and staff are delighted to have Senator Morse joining the rich traditional of Board members.

Drinking Water - Benchmark 69
