News Release

Dec. 23, 2008

For Immediate Release

Salem, Oregon—Because of severe weather and hazardous driving conditions, state government has closed all its offices in the Gresham area, effectively immediately, the Oregon Department of Administrative Services announced today.

Oregon Emergency Management and the Oregon National Guard will continue to assist the city of Gresham in coping with the weather emergency the Governor declared yesterday for Multnomah County.

State employees who are uncertain of whether to report should monitor the DAS Web site or news media for weather news and announcements from state officials. State employees may also call (503) 373-0850 for recorded announcements.

Employees should refer questions about recording time and use of leave to their agency's human resource personnel.
